SCHOCK SINKWARE HAS TAKEN EUROPE BY STORM. WITH STUNNING CRISP LINES AND A SILKY SMOOTH FINISH, THIS QUALITY GERMAN ENGINEERED SINKWARE HAS BEEN CREATED USING STATE-OF-THE-ART COMPOSITE NANOGRAIN® MATERIALS. IT OFFERS EXCEPTIONAL STRENGTH AND DURABILITY, STAIN RESISTANCE AND INERT, ANTIBACTERIAL PROPERTIES. THE RANGE IS AVAILABLE IN ‘MAGMA’ BLACK, ‘STONE’ GREY, ‘POLARIS’ WHITE AND ‘STUNNING’ BRONZE.

Nanoclean-Effect The premium Schock Cristadur® material also offers the Nanoclean-Effect. An extremely fine nanostructure makes it virtually impossible for bacteria and dirt to stick to the material’s surface.

Antibac Sinks used to prepare food or wash dishes and pans provide a breeding ground for bacteria. Schock Antibac is a hygiene protection system available exclusively with Schock sinks. The integrated protection mechanism uses natural silver ions to reduce bacterial growth by up to 95%.
SCHOCK
SIGNUS D200

FRENCH DESIGNED AND INSPIRED BY THE BEAUTY OF THE ROYAL CHÂTEAU DE CHAMBORD IN FRANCE, THE CHAMBORD COLLECTION BLENDS TRADITIONAL FRENCH MEDIEVAL FORMS WITH CLASSICAL STRUCTURES. A SELECTION OF SINKWARE FROM THE CHAMBORD COLLECTION, TITLED ‘HENRI’ IS NOW AVAILABLE IN AUSTRALIA THANKS TO AN EXCLUSIVE ALLIANCE WITH ABEY AUSTRALIA.

The products within the Chambord collection are made from the best in materials and processes. They are renowned for a concept of new French design, and the expertise of the artisans that manufacture them in a traditional and artistic way.

The ceramic. Ceramic is the ideal material for the kitchen – easy to clean, insensitive to temperature and effortlessly hygienic. European manufactured by three generations of ceramic artisans, the Chambord collection is renowned for high quality production – from the materials they use to the new technologies that help make products of optimal quality. All products in the Chambord collection are finished by hand with each artisan priding themselves in high skill and precision.

The Henri Selection. The Henri sinkware selection offers a sophisticated style with simple curved lines. Solidly built, a Henri sink is a statement as well as an object of utility at home in the grandest of kitchens. Available in three different widths, the one and one-and-a-half bowl sinks have a front panel and are also available in overflow. Bringing tradition back into the kitchen, the sinks are available in white.

INNOVATION, CREATIVITY, FUNCTIONALITY – KEY DRIVING FORCES IN GESSI’S SUCCESS STORY. GESSI IS RECOGNISED AS ONE OF THE WORLD’S LEADING DESIGNERS AND MANUFACTURERS OF BATHROOM AND KITCHEN FITTINGS AND FURNISHINGS. THESE AREAS WERE ONCE REGARDED AS ACCESSORIES BUT OVER THE LAST 20+ YEARS, GESSI HAS COMPLETELY CHANGED PERCEPTIONS.

Successful designs affect all the senses and Gessi’s exclusive ‘Made in Italy’ products evoke memories and provoke emotions way beyond more conventionally designed products. Gessi is dedicated to offering new living concepts with the widest assortment of products imaginable. A vast range of styles, models and application solutions allow for unlimited freedom in designing interiors. New and unpredictable elements, as well as special aesthetic and technological product features help to create living spaces where everyday activities become new and extraordinary experiences.
