THE ESSENCE OF GLOBAL DESIGN

Gareth Ashton was brought to life to celebrate the essence of global design. Collections have been handpicked to reflect the world's most inspiring and innovative cities. The result is a selection of products that possess a styled minimalism, sleek lines, and a balance of organic and angular shapes.

Gareth Ashton is represented by a campaign that celebrates global design and looks to the common element that shapes and unifies the collection of products. Water.

The Essence of Global Design.

PARK AVENUE

Streamlined design and functional elements make up the Park Avenue range from Gareth Ashton. New York inspired, the sharp lines of Park Avenue define the range and are seamlessly integrated into a variety of spaces. The rectangular forms of Park Avenue achieve a clean look and fulfil an aspiration for aesthetic simplicity.
